## II-Reading Comprehension

**Read the following passage then answer the questions below.**

I am so excited! Mum and Dad are going to take me to the circus for the first time. All the kids at school have already been to a circus, except me. It was finally Saturday, and we went to the circus. We found our seats. We watched huge elephants walked through some big hoops that two men were holding. Next, some clowns came out on unicycles. Some were joking with us while others did tricks on their unicycles. The best part was when the gymnastic players walk high above us on a very thin rope. Dad got some cotton candy and popcorn for me and I shared them with my little sister, Mona. After that, some beautiful grey horses came out and did a great show. Finally, it was time to go home, but I'll never forget that day.
